

We first opened The Royal Scam in December of 2006 as an upscale bar with a small tapas menu. The response to our menu was very positive, and by 2009 we sensed a great opportunity to expand into a full-service restaurant for both lunch and dinner. By adding burgers, seafood gumbo, and our very popular entrees, we became a dining destination for locals and visitors alike. I hope you enjoy our hand cut steaks, fresh Gulf seafood, delicious salads and sandwiches.
